MANUFACTURERS' REPRESENTATIVES

GENTILE & ASSOCIATES, INCORPORATED

MANUFACTURERS' REPRESENTATIVES

Since 1986, Gentile and Associates, Inc. has believed that building relationships is fundamental and that the people we serve are as important as the products we represent. We strive to build upon that foundation as we support both our customers and manufacturer partnerships in the Landscape, Plumbing and Pool & Spa Markets.

CREATIVE SENSOR TECHNOLOGY

CREATIVESENSORTECHNOLOGY.COM

CST's focus is on the design, development and domestic manufacture of products featuring new and innovative technology to electronically detect and measure the flow of water through piping systems. Included in the product offerings will be an array of devices to condition and transmit that information to irrigation, water treatment and pump control devices. Made in the USA.

CRESLINE-WEST, INC.

CRESLINE.COM

Cresline Plastic Pipe Co., Inc. is one of the largest full-line pipe manufacturers. Their family of companies offers industry leading coast-to-coast service, providing high quality, American-made PE, PVC, ABS, FlowGuard Gold® CPVC pipe to the Plumbing, Irrigation, Water Well, Hardware, Industrial and Municipal markets. Made in the USA.

EZ-FLO

EZFLOINJECTION.COM

EZ-FLO manufactures the patented technology delivery system to accurately proportion water-soluble and liquid fertilizers as well as supplements through any irrigation system; they will fit any size landscape from small residential to golf course applications. These systems have no moving parts, require no electricity or programming and have a fully adjustable feed rate. With hundreds of thousands of systems installed around the world, EZ-FLO is the leader in fertigation technology and provides green solutions to help save water while increasing plant health and labor efficiency. Made in the USA.

LASCO FITTINGS, INC.

LASCOFITTINGS.COM

LASCO Fittings, Inc., an Aalberts Industries company, specializes in the production and sale of injection molded fittings, valves and swing joints for Irrigation, Plumbing, Industrial and the Pool/Spa markets. A technical leader with over 50 years experience, LASCO products are relied upon worldwide to provide the confidence users desire. Made in the USA.

LEEMCO, INC.

LEEMCO.COM

Leemco Piping Solutions is the leader in manufacturing uniquely designed products for Golf, Commercial and Municipal piping systems. They offer a full line of high strength, corrosion resistant, epoxy coated ductile iron fittings, joint restraints, saddles and valves. They have also added HDPE plastic and stainless steel products to their product offerings. Leemco is committed to providing unprecedented irrigation innovations, service and support throughout the United States and International Market.

STRONGBOX

STRONGBOX.COM

StrongBox manufactures the best available enclosures for the Landscape and Roadway markets. They provide front and top entry enclosures for all manufactured irrigation controls, electrical service pedestals for power needs in landscaping as well as aluminum and stainless steel Smooth Touch cages to prevent theft of backflow RP devices. StrongBox uses domestic stainless steel for all cabinets, providing security and durability for years. Made in the USA.

TORO | IRRITROL

TORO.COM/IRRIGATION | IRRITROL.COM

Founded in 1914, Toro is a leading worldwide provider of innovative solutions for the outdoor environment including turf maintenance, snow management, landscape, rental and specialty construction equipment, and irrigation solutions. Irritrol is a leading manufacturer of professional irrigation products for residential and commercial applications established in 1967. Both brands offer a full line of solid, dependable, irrigation products including controllers, sensors, valves, spray heads and rotors to help customers care for golf courses, sports fields, public green spaces, commercial and residential properties.

UNDERHILL

UNDERHILL.US

Underhill International Corporation has been a familiar name to irrigation industry professionals for more than 36 years. The company is an innovative manufacturer of water saving irrigation products for all landscape installations. As the Underhill product line continues to grow, the company's sprinklers, valves, controllers and irrigation accessories are widely recognized in the industry and have been installed at many prestigious universities, golf courses and major league fields.

UNIVERSAL LIGHTING SYSTEMS

UNVLS.COM

Universal Lighting Systems manufactures a complete line of low voltage landscape lighting products including fixtures, transformers and LED lamps. Engineered to exceed industry standards, UNVLS fixtures offer performance, reliability and superior value in an architectural grade product. Their vertical integration and factory direct manufacturing allows them to provide high quality products for the best possible value.

WATERTRONICS

WATERTRONICS.COM

For over 30 years, Watertronics has taken pride in designing and manufacturing custom pumping solutions for Golf, Landscape, Municipal and Agricultural use. Their engineering expertise and advanced software applications have distinguished their pumping systems as the industry standard for reliability, ease of use and energy efficiency. Made in the USA.
